VOLUME I

Compiled by

MAGDALENE ALMLIE BRULAND

ARRANGEMENT—

Author, subject and title entries are arranged in one alphabet. Author entries are set in capital letters (LIEFELD, THEODORE). Titles of articles are enclosed in quotation marks ("What Do You See on Calvary?"). Titles of books, moving pictures and similar items are italicized *(Operation Abolition)*.

Subdivisions of subjects are arranged alphabetically with two exceptions: Bible subdivisions are listed in the order in which they appear in the Bible. Geographical subdivisions follow all others under a particular heading.

All subject headings for letters printed in the "Mr. Editor" column are alphabetized as a group under that column name.

All obituaries are listed as a group.

CROSS REFERENCES—

"See" references are made from various forms of an entry to the chosen form. "See also" references are made to related subjects under which additional information may be found.
